SUMMARY

Highly motivated and detail-oriented **Data Analyst** and **B.E. Computer Engineering graduate** from **Gujarat Technological University (CGPA: 8.18)** with hands-on experience through the **Microsoft Data & AI Internship (Cloud That, 2025)** and a **6-month Data Analyst Internship at Outamation Technology Pvt. Ltd.** Skilled in **Power BI (DAX, Power Query), SQL, Python (Pandas, NumPy), Excel, and Data Visualization**, with expertise in data cleaning, business intelligence reporting, and analytical problem-solving. Developed impactful projects including **Finance Analysis Dashboard**, **Mobile Sales Dashboard**, and **Heart Disease Analysis Dashboard**, delivering actionable insights through interactive dashboards and data-driven analysis. Certified in **Power BI** and **SQL**, with a strong passion for transforming complex data into meaningful business insights that support strategic decision-making.

EDUCATION

Bachelor Of Computer Engineering **[CGPA: 8.18] | [2026]**
Gujarat Technological University

Diploma in Computer Engineering **[CGPA: 6.89] | [2023]**
Gujarat Technological University

INTERNSHIP EXPERIENCE

Microsoft Data & AI Intern (Program 2025) | Powered by Cloud That (**July 2025)**

- Technical Training: Completed 78 hours of intensive, skill-based training focused on advanced AI and Data technologies within the Microsoft ecosystem.
- Data Analysis & BI: Mastered Microsoft Power BI for Data Analysis (PL-300), focusing on data modelling, visualization, and transforming raw data into actionable business insights.
- Artificial Intelligence: Gained core proficiency in Azure AI Fundamentals (AI- 900) and Natural Language Processing (NLP) using Azure AI Language.

Data Analyst Intern — Outamation Technology Pvt. Ltd. **Nadiad [January 2026 – July 2026 (6 Months)]**

- Developed a comprehensive Finance Analysis Dashboard in Power BI tracking ₹135.62M Total Amount, 15,029 Transactions across multiple customer segments and states.
- Analysed financial data using Excel, Power BI, and SQL for data cleaning, transformation, and visualization to support data-driven business decisions.
- Earned a Data Analysis Certificate upon successful completion of the 6-month internship program.

PROJECTS

Finance Analysis Dashboard [Tools: Power BI / Excel / SQL]

- Designed a real-time Finance Analysis Dashboard tracking INR 135.62M Total Amount, 15,029 Transactions, and INR 217.30K Total Fees across customer segments (Retail, Premium, SME, Corporate) with dynamic filters.
- Built YoY comparisons and transaction type analysis (Loan EMI, Transfer, Deposit, Investment) with state-wise and gender-wise breakdowns using Power BI, Excel, and SQL.

Mobile Sales Dashboard [Tools: Power BI / Excel / SQL]

- Built a 3-page interactive dashboard tracking ₹2M Total Sales, MTD Report, and Same Period Last Year comparisons with dynamic slicers for Brand, Model, and Payment Method.
- Visualized Total Quantity by Month, Sales by Mobile Model, and Transactions by Payment Method to identify peak sales days and customer trends.

Heart Disease Analysis Dashboard [Tools: Power BI / Excel]

- Designed a healthcare analytics dashboard tracking 68.04% Survival Rate, 132 Total Survivals, and Average Age of Survival (58.83) across age groups.
- Analysed clinical indicators (Serum Creatinine, Ejection Fraction) and visualized impact of Smoking, High Blood Pressure, Anaemia, and Diabetes by age group using ribbon charts.

ACHIEVEMENTS & CERTIFICATIONS

- Smart India Hackathon 2025 (SIH) —Nominated and participated in Internal Hackathon at Sardar Patel College of Engineering & Technology (SPCET)
- Data Analysis Certificate | Outamation Technology Pvt. Ltd. [2026]
- Microsoft Data & AI Skills Internship Certificate | Cloud That [2025]
- 30-Day Power BI Micro Course Certificate
- 30-Day SQL Micro Course Certificate

TECHNICAL SKILL

- **BI Tools:** Power BI (DAX, Power Query), Excel
- **Databases:** SQL, MySQL, PostgreSQL
- **Programming:** Python (Pandas, NumPy)
- **Analytics:** Data Cleaning, Data Visualization, Time-Series Forecasting, Statistics
